Map of St John's Innovation Centre

How to get to St John's Innovation Centre ...

... by road

Coming from the North, West or South of Cambridge

From Junction 14 of the M11 follow the A14 eastwards towards Newmarket. Take the second exit (signposted for A10 Ely and A1309 Cambridge), keep in the right lane, follow the lane marked "City" on the roundabout, leaving onto the A1309 towards Cambridge.

Coming from the East

Aim for the A14 / A10 / A1309.

Once on the A1309 move into the left lane and turn left at the traffic lights. Take the first left, signed **Innovation Park**, then follow the straight road to the last turning on the left, at the Cycle Bridge. The Conference Centre car park is signposted on your left.

Coming from Cambridge

Come out on the Milton Road, the A1309, and note the Guided Bus track on the left. Stay in the middle lane for two sets of traffic lights, then at the third set of traffic lights move to the right lane, turn right, signed to the **Innovation Park**. Take the first left, as above.

... by train

Walking from Cambridge North Station (1 mile)

Turn right, along Milton Avenue, signposted "Innovation Centre". Walk through the woods, turn right at the big crossroads. Walk along Cowley Rd., destination will be on the left.

... by bus

From Bus Stops

If you are using any bus service, ask the driver to let you know when you are nearing the Science Park stop. The Guided Bus enters the Guided Busway just before the Science Park stop.

From the Guided Busway stop, walk back out onto Milton Road, turn left and walk towards the Science Park entrance, the next junction on your left.

From the Science Park bus stop, walk back out onto Milton Road, turning slightly right to the pedestrian crossing.

Use the pedestrian crossing to cross this busy road and once on the other side of Milton Road, turn left and follow the footpath behind Taylor Vinters, on to Cowley Road keep walking along this road to the "Innovation Centre", destination will be on your left.
